Singerly Fire Company is looking to fill one (1) full time vacancies for either an EMT/FF or PM/FF. The position is being posted to potential internal and external candidates. Those interested should submit a resume or application to employment@singerly.com. Resume must be received by Singerly Fire Company by Friday, December 10, 2021 at 1600 hours. Please include certification copies and/or transcript indicating that minimum requirements for the position are met. Individuals who are qualified for the position as per the job description will receive notification via phone or email regarding a time for interview. Candidates will be interviewed by the Career Services Committee on Thursday, December 16, 2021 in the evening. Schedule will consist of 24 hour shifts, 1 on / 3 off format. Scheduling is subject to change in the future based upon needs of the department and coverage. Projected start date for position is by January 1, 2022. Selected individuals will serve a 6 month probationary period as a full-time staff member.

The Career Services EMT/FF and or PM/FF handles calls for service as well as performs station maintenance to include light cleaning of apparatus and facilities, inventory and restock of equipment, handles EMS and fire/rescue calls for service and completes reports accurately, thoroughly and in a timely fashion. They report for
